

From now on we offer two price levels for these Eizo monitors.

One price category for the customer who wants the cheapest price in relation to what's found on the internet = cash&carry.

A second price category for the customer who wants the traditional Hotz service. The monitor is installed at home, calibrated and aligned in the workflow of the customer.

	Advised list price excl. VAT	End user price @ Hotz excl. VAT cash&carry	End user price @ Hotz excl. VAT installed @ home
